assistTrend

New: The perfect assistant's stool *assistTrend* is now available with armrests (No. 3000)

Surgeon Comfort

- Armrests: Sturdy, height adjustable and fully moveable in all directions
- Flexible height adjustment via hand or foot operated pneumatic spring
- Equipped with five wheels for stability and safety

Revolutionary support for healthy posture

- Patented auto-dynamic seat system actively supports healthy, dynamic sitting
- Reduces problems associated with prolonged sitting: chronic neck and back pain, cramping, decreased blood circulation
